

The Oaks Community Primary School

“make a difference”

The government is providing additional funding of 150 million per annum to improve provision of physical education (PE) and Sport in primary schools. This funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport.

Funding for 2016 to 2017:

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil as recorded in the annual schools census in January 2015. The Oaks Community Primary School receives a total of £8,625 for the 2016/ 2017 academic year.

How the money is spent at The Oaks Community Primary School:

We spend our money on a specialist PE company called Premier Sports who provide physical education lessons to each class throughout the school. This ensures a very high standard of physical education across both key stages and consistency through the delivery of lessons. As part of the School Sports Programme, The Oaks Community Primary School is a member of the Cheshire Oaks School Sport Partnership which is coordinated by Mr Poole of the University Church of England Academy in Ellesmere Port. For £ 850 per annum we access over 20 + different sporting events run through the year from Reception to Year 6.

Government Aim - To improve the quality and delivery of Physical Education in schools.

Actions:

- To provide a physical education company to deliver quality physical education lessons led by coaches who are specialists in particular areas of sport.

Evidence:

All children have accessed a variety of sports through Premier Sports including Rugby, Football , Netball, Athletics, Rounders, Cricket, Gymnastics and Dance. These sporting activities which have been provided by Premier Sports have all been delivered by a sporting specialist in that field.

Government Aim - To engage in competitive sports and activities.

Actions

- Provide the opportunity for any pupil to take part in competitive sports via the Cheshire Oaks School Sport Partnership .

Evidence

- There have been an increased number of children involved in the Cheshire Oaks School Sport Partnership this year.
- A large number of children have been involved in after school clubs.

Government Aim- To lead healthy, active lives.

Actions:

- Provide a variety of different resources so children can access physical activity and take ownership of what activity they want to play.
- Reinforce our healthy snack policy in school and provide KS1 with a healthy fruit or vegetable snack every break time.

Evidence

- Children are active every day either through break or lunch time activities or through the delivery of a quality physical education lesson.
