

# YEAR 4 HOME LEARNING

Mrs Henshall  
29<sup>th</sup> June 2020

# Happy Monday year 4.

How did last week go? Did you enjoy the learning? I hope so! I also hope you enjoyed the gorgeous sunshine. Last week, I welcomed back 8 children to school. It has been lovely to get back into a routine. Home learners, please Tweet or email me and I will share this with your friends at school.

This week, please continue with the Oaks Academy lessons. Follow the schedule on the next slide for your learning. If you want to extend your learning, please use BBC bitesize. I have also attached some extra activities you could try.

This week at school, we will be learning about Africa and write a setting description. Can you do the same? Email me a picture of your work to share it with me and the class.

Have a wonderful week.

Mrs H

# SCHEDULE – 29<sup>TH</sup> JUNE

- <https://classroom.thenational.academy/schedule-by-year/year-4>

# Maths activities at home

Add two 4 digit numbers e.g.  $3529 + 2493$

Subtract two 4 digit numbers e.g.  $4827 - 2982$
