

Pupil Premium Strategy

As a school we receive additional Pupil Premium funding. It is allocated to schools for pupils who:

- Are eligible for Free School Meals (FSM)
- Are looked after by the Local Authority (in care)
- Have a parent serving in the armed forces

Pupil Premium funding is an additional resource to remove any barriers to learning and to ensure pupils at risk of underperforming are supported to reach their potential and make expected levels of progress.

At The Oaks Community Primary School we aim to ensure all children access and experience a broad curriculum full of enrichment opportunities, as well as supporting children academically, emotionally and socially so that they are able to realise their potential.

Pupil Premium Statement (Financial Year 2015 - 2016)

For 2015 - 2016 The Oaks has been allocated £121,440, and the spending of this has been organised under three headings: targeted support, curriculum enrichment, additional well-being.
