Allocation	Aim	Impact
KABS (Kids activities boot camps)- £4750	To provide the children with a focus into the classroom and physical activity, where they will look at 3 key areas including life style. This will also link to British and school values and link to mental health and wellbeing. (Each class will have one morning per week for a half term).	<i>Improved awareness of mental health, wellbeing and survival skills in all year groups. Increase parental engagement in sessions by inviting parents. Teacher questionnaires completed. Parents comments in visitors book.</i>
Lunchtime Clubs (Premier Sports)- £3360	To support targeted groups of children during lunchtime with activities linked to sports focusing on key skills and mental health.	<i>Children across all year groups receive daily opportunities to take part in a variety of focused sports led by qualified sports coach (30 mins per key stage). The clubs have been picked by the children linked to their interest and competitions that we will be completing in. 42 children in KS1 and 22 children in KS2 have attended lunchtime clubs in Summer Term.</i>
After school Clubs (Premier Sports)- £2450	To provide all children with the opportunity to attend a variety of different sporting clubs throughout the year. These clubs will change termly to meet pupil demand.	<i>We had 57 children during Spring Term and 35 during Summer Term who attended our sporting clubs after school. This included the 12 who participated in First Footers Street dance club and festival.</i>

Teacher CPD- £2590	To provide staff with specialist and high quality CPD in Physical Education linked to the National Curriculum Framework. Two teachers will receive sports CPD each half term ensuring that all staff have received at least a half terms training by the end of the academic year.	<i>Increased confidence in teachers delivering their own PE sessions. Year 5 and Year 2 teachers have planned and delivered their own second sessions during Summer Term following their CPD. Teacher surveys completed at the end of half term to show what teachers have learnt.</i>
Cheshire Oaks School Sports Partnership- £1000	To allow the children to access a variety of different sporting events and competitions throughout the academic year from Reception to Year 6.	<i>The school had already attended 50% more competitions by Spring (6 in compared to 3 in total for the previous year). We have held a 6 week street dance club provided by First Footers and won 1st place at the dance festival against other local schools, attended football festivals such as Everton and Chester FC and sports activities during National Sports Week.</i>
Core Fit - £300	To support children in developing their core strength and help them to take ownership of their mental and physical wellbeing and develop a positive and mental attitude. This is aimed at Year 5 and 6 children.	<i>Pupil questionnaires completed before and after program. The children's fitness levels were measured throughout to show an increased improvement in such things as how long the children could plank and number of burpees.</i>
MindFit- £3000 (sports premium has covered £2300)	To support children in developing their well-being, positive mind set and take ownership of their mental wellbeing and develop a positive and mental attitude. This is aimed at Year 6 children.	<i>Children's attitudes and awareness towards learning, health and well-being have improved</i>
Yoga Teacher - £450	To provide a targeted group of children with a calming and relaxing lunchtime club.	
Mental Health Project (MIND) £0	To focus on the children's well-being and mental health and compare their findings to other schools.	

Resources (new resources needed for PE) £100

To provide the children with appropriate resources and equipment needed for each of the sports they are taking part in during PE lessons, after school and lunchtime clubs.

New resources such as frisbees have enabled pupils to participate in different sporting clubs both at lunchtime and after school. New resources purchased for PE sessions such as tennis balls which include slow bounce balls catering for all abilities and needs.
