

## Pupil Premium Strategy 2019-2020

As a school we receive additional Pupil Premium funding. It is allocated to schools for pupils who:

- Are eligible for Free School Meals (FSM)
- Are looked after by the Local Authority (in care)
- Have a parent serving in the armed forces

Pupil Premium funding is an additional resource to raise attainment of disadvantaged pupils. The funding is used to ensure all pupils, including those at risk of underperforming and the more able, are able to reach their full potential and make at least expected levels of progress.

At The Oaks Community Primary School we aim to ensure all children access and experience a broad curriculum full of enrichment opportunities, as well as supporting children academically, and in their social, emotional and personal development.

### Pupil Premium Statement (Financial Year 2019 - 2020)

For 2019 - 2020 The Oaks has been allocated £112,800 and the spending of this has been organised under three headings: EYFS, KS1, KS2.

At The Oaks, we have identified some specific barriers to learning for Pupil Premium children in our school and these are listed below. We have also identified that the children aspirations can be another barrier for the children and this is something that we need to continue to be aware of and work on.

1. Vocabulary
2. Independent Learning
3. Long Term Memory
4. Emotional and social literacy

### Number of pupils and pupil premium grant received

|  |                 |
|--|-----------------|
| Total number of pupils on roll         | 160             |
| Total number of pupils eligible for PP | <b>72</b>       |
| Percentage of pupils eligible for PP   | <b>45%</b>      |
| Amount of PP received per child        | <b>£1,350</b>   |
| Total amount of PP allocated           | <b>£112,800</b> |

### Proportion of Pupil Premium children

| Early Years | Y1  | Y2  | Y3  | Y4  | Y5  | Y6  |
|-------------|-----|-----|-----|-----|-----|-----|
| 40%         | 30% | 21% | 55% | 62% | 68% | 35% |

The tables below detail the expenditure, along with aims and the impact of the allocated spending on pupil learning or well-being or enjoyment of school.

## Objectives

1. To deliver a mastery curriculum ensuring all pupils broaden and deepen their learning
2. To ensure all pupils access a broad and balanced curriculum, promoting and developing pupil independent thinking skills and curiosity and vocabulary and language acquisition
3. To provide targeted support to meet pupil needs on an emotional, social and personal development level, as well as develop pupils as global and respectful citizens through the wider curriculum
4. To increase end of KS2 attainment to ensure pupil premium children meet and exceed national expectations

To achieve these objectives the school utilise current research (especially the Education Endowment Foundation Toolkit) to inform the provision for children in receipt of Pupil Premium.

Provision in place for pupil premium children is tailored to the school context and to meet individual needs in order to address barriers to learning. As an inclusive school, all of our children benefit from the additional support and resources that we are able to offer children in receipt of pupil premium funding.

## Pupil Premium Funding Allocation

### EYFS

| Allocation  | Aim  | Impact |
|---|--|--------|
| <b>Drama £900</b><br><br>(Once a week for a term) | To promote speaking, listening and communication skills and build pupils confidence. To engage pupils in imaginative play closely linked to the curriculum and to broaden pupil experiences. |        |
