

YEAR 4

HOME LEARNING

Monday 23rd March 2020

Mrs Henshall

Good morning Year 4

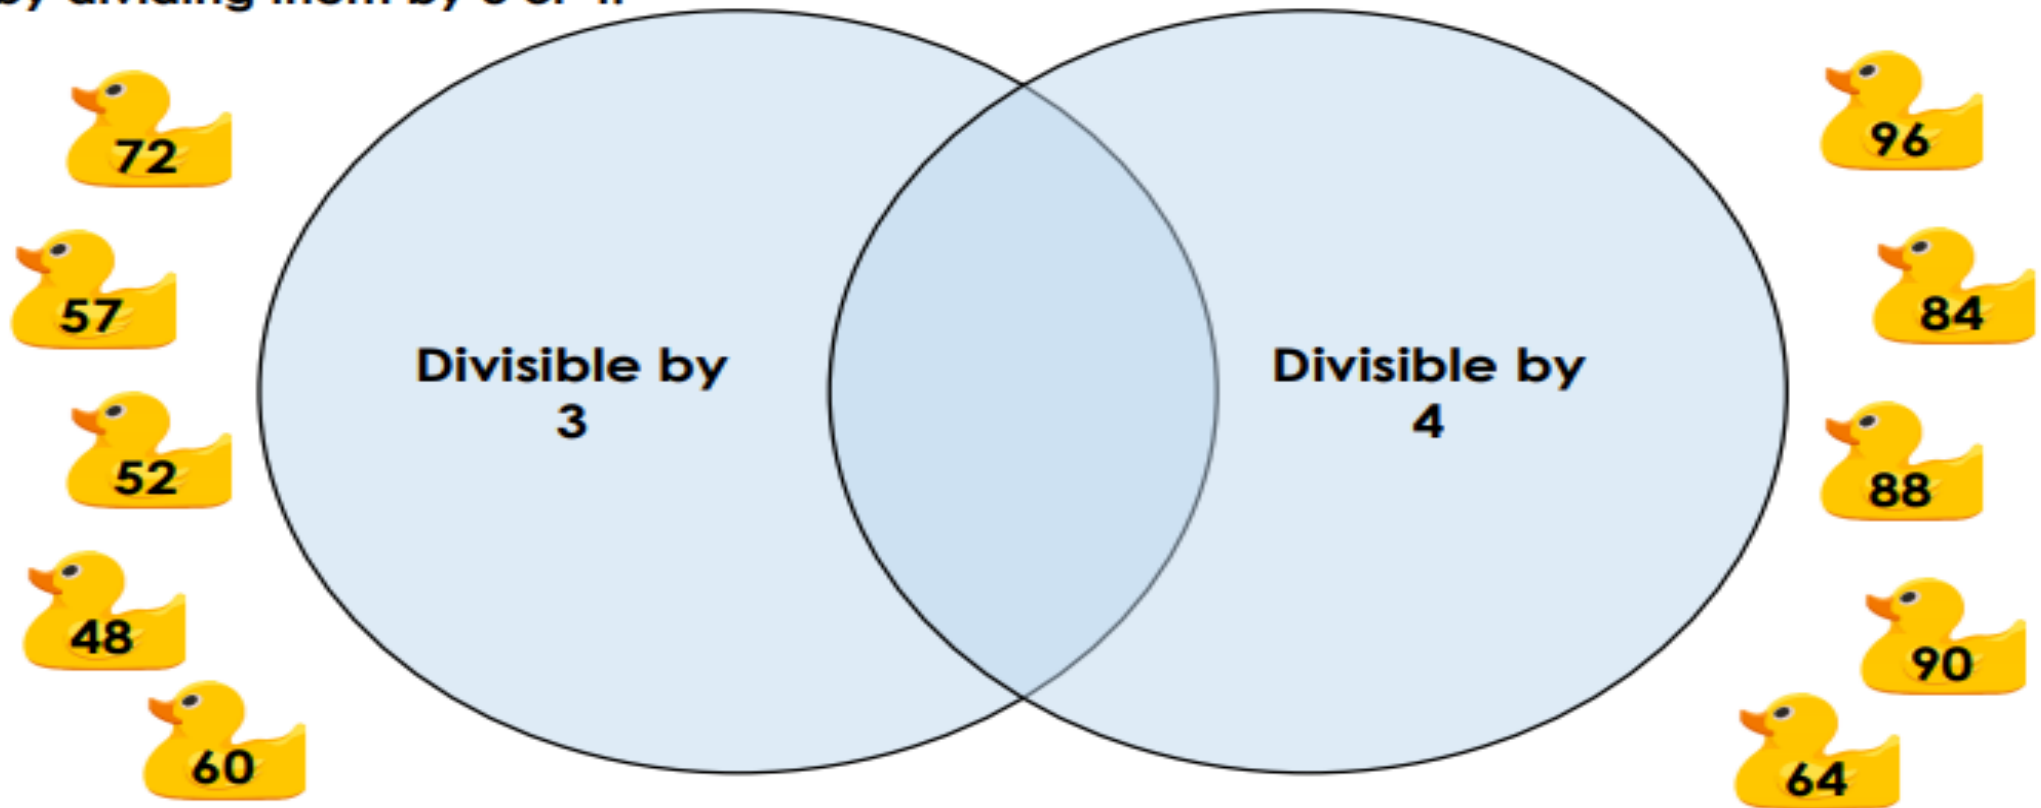

Remember to look at the timetable in your home learning pack. Flick through these slides for an extra challenge and remember to tweet me or email me your learning!

Challenge 1

1. Finlay is playing a maths game at the village fayre. He needs to sort the ducks into the correct sections of the pond to win a prize. Help Finlay sort the ducks into the pond by dividing them by 3 or 4.

Explore three other numbers that could be put in the centre of the Venn diagram.

Challenge 2

Literal Questions:

What is the setting of this picture?

How many dolphins can you see?

What colour is the puffer fish?

Inference Questions:

What do you think happened to the ship in the background?

Is this setting close to the surface of the water?

How long do you think the ship has been there? Explain your answer.

Challenge 3

Improve my verbs and then write an exciting paragraph. How many powerful verbs can you use?

- Walked
- Sat
- Took
- Ate
- Ran

YEAR 4

HOME LEARNING

Tuesday 24th March 2020

Mrs Henshall

Challenge 1

2. Staff at the aquarium are trying to sort their delivery of fish into 4 tanks. They need to make sure that each tank has an equal amount of each type of fish.

A. 32 fish

B. A number from the 6 times table with a digit sum of 9.

C. Double the number of fish A.

D. A 2-digit number where both digits are the same.

Investigate how many of each type of fish could be placed in each tank.

Challenge 2

Write a diary entry from somebody who has spent the day at the beach. Think about the senses. Can you include some noun phrases and fronted adverbials?

What can you see, smell, hear, taste and feel?

Challenge 3

Write your answers in your blue book.

Literal Questions:

Has it rained within the last 15 minutes?

What did the man just do?

What colour is the bike?

Inference Questions:

Why was he cycling in the rain?

Why would someone take this photo?

Does this man cycle a lot?

What is the most possible reason for this accident?
