

Year 1 Home Learning

Week beginning Monday 22nd June 2020

Hello home learners,

I hope you are well and that you enjoyed some of last week's home learning!

It was brilliant to celebrate a Learner of the Week in school and a Learner of the Week at home last week. There will be two new learners awarded this Friday - so choose a piece of work you are proud of, tweet me or email me so I can see your work and it could be you - Home Learner of the Week!

We will be finding out about the life of a real life superhero. Edward Jenner was a doctor and a scientist.

Can you find out what Edward Jenner discovered that changed the world?

What made him a real life superhero?

We will each be designing a superhero medal for Edward Jenner. Design a medal at home and share your design with us on Twitter.

I look forward to seeing your learning!

Can you find out what these words mean?

- immune
