

Maths

During Autumn One we will be focusing on **place value and the 4 main operations**. We will be using this time to introduce the Year 4 maths curriculum as well as closing any gaps in learning. We will continue to use a concrete, pictorial and abstract approach to lessons to support the children understanding. We will also work hard on our problem solving and reasoning skills. The children will have access to TTRockstar to support home learning and their basic fluency. We are also excited to introduce Doodle Maths the they children will access in school daily.

English

In our writing we will be using the vehicle text '**The Whale**' by Ethan and Vita Murrow. It is a wordless text which explore the ideas of friendship, teamwork and curiosity. The children will focus on the use of vocabulary in a changing atmosphere and creating emotional, intellectual and imaginative effect. We will learn to use fronted adverbials and prepositions in our setting descriptions.

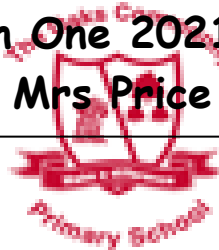

Later in the term, we will focus on the purpose, structure and language features of a newspaper. This will lead on to the children writing their own newspaper reports.

Music

The children will be taught to use their voices expressively and creatively by singing songs and rhymes.

**Year 4
Cedar Class
Autumn One 2021-2022
Mrs Price**

Science

In science we will be looking at animal classification. The children will be looking at classification keys and will use these to classify (group) a range of objects and then living things. The children will collect data about living things and in different areas of the school grounds.

Geography and History

Our big question this term is based around science. However, we are starting the term with a whole school geography project. This will be an exciting start to the term and Key Stage Two are all basing their work around the text 'A pebble in my Pocket' Please keep a look out on Twitter for updates on what we have been up to.

Religious Studies

We will look at the big question '**How do Jews demonstrate their faith through their communities?**'

Physical Education

During our PE lessons will be looking at non contact games and basic skills. PE is on a Monday and you can come into school in your PE kit.
