

Maths

During Summer Two, we will be continuing to look at recognising different coins and their value. We will then take some time to look at position and direction as well as telling the time on an analogue clock.

English

In our writing we will be using the vehicle text 'The Last Wolf' The vehicle text will be used to narrate a story as well as to guide the children in writing a set of instruction. We will focus on the use of capital letters, full stops, question marks and exclamation marks. The little girl in the story goes exploring in the last, very small woodland, and finds the last wolf, the last lynx and the last bear all having a cosy cup of tea together. They tell her about the 'good old days' where there was endless wild forest and you just had to lie on a branch before lunch would appear under your paws. Now, since their forest has been replaced by houses, they have to dress as humans and hunt in abandoned rubbish for food.

Music

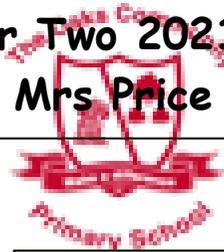

The children will be focusing on performance music with a focus on classical music.

Phonics

We have a phonics screening check this term. This will take place in June so please do not book any holidays and please ensure your child is in school each morning for 8:45 so they do not miss their phonics lesson.

Year 1
Elm Class
Summer Two 2021-2022
Mrs Price

Science

In science we will be learning about types of animals. We will be identifying and naming animals including fish, amphibians, reptiles' birds, and mammals. We will also learn about carnivores, herbivores, and omnivores.

Geography and History

Our big question this term is 'Why are humans not like lions?' This links directly to our science unit of work, and we will be heading to Knowsley Safari Park to support our learning. Although this isn't a geography or history unit. We will be looking at where certain under the creatures come from and what their habitat is like.

Please keep a look out on Twitter for updates on what we have been up to.

Religious Studies

We will look at the big question 'How do Muslims express new beginnings?'

Physical Education

During our PE lessons will be looking at. Children can come to school in their PE kit on a Monday and Thursday.
