The Oaks Primary School

## Attendance

Good afternoon families,

Thank you all for a wonderful start to the academic year. Our whole school attendance target is 96% and I am really proud that we are exceeding this. Breakfast club continues to be extremely popular and is a great start to the children's day. A reminder that the school day starts at 8:45am. We had 26 lates recorded last week and I am sure we can reduce this down to single figures next week.

Congratulations to the group of KS2 children who attended the cross country event this week after school. It was great to see the children enjoying themselves and taking part in something different. Mr Potter made a video clip of the event which was shown in assembly to the children this afternoon and we will put this onto Twitter for parents to see. You can follow us @theoaksCP

Mrs Louise Roberts—Headteacher

## Parents Evening

Our first parents evening sessions of the year will take place during the week of 17th October. Parents will be allocated a 10 minute slot with their child's class teacher to discuss how they have settled into their new year group. Any children with additional needs will be allocated a longer slot so that we can talk through the learning plan that parents will have received via Provision Map online.

*Don't forget:*

On Monday 3rd October, staff from Ellesmere Port library will be on the playground to help parents sign their child up for a library card. Please do come and say hello.

### Forthcoming dates for your diary:
