The Oaks Primary School

Welcome back!

It has been truly wonderful to welcome families back to school this week and I would like to extend our warmest welcome to the new families joining us across school this year. Reception class have had their first full day in school today and I am sure that they will sleep well this evening!

Today we have respectfully acknowledged the death of Her Majesty The Queen and we will be having a celebration of her life in school around the date of her funeral. More information will follow. St Thomas' church on Whitby Road have asked me to communicate that they will be open tomorrow from 10am for any families wishing to light a candle of remembrance or on Sunday at 10:45am and 6:30pm where they will hold remembrance services.

We look forward to working in partnership with all families this year and our door is always open

Water only at lunch

Our catering supplier Edsential, has informed schools locally that they will only serve water with school lunches going forward. This is to ensure that further price rises are avoided if possible. School lunches for those in KS2 who are not entitled to free school meals, are priced at £2.45 per day. Juice will still be available with snack.

Holiday within term time are not permitted. These would be recorded as an unauthorised absence and a fine may be issued where the absence last for 5 consecutive days or more. This is government guidance and is enforced by Cheshire West Local Authority.
