The Oaks Primary School

## Forthcoming dates for your diary:

Dear families,

We are very much looking forward to taking our Year 5 & 6 children to London next week. On Thursday we will keep registration open until 10aam for the children to have a bit of a lie in should they need it. This is for Year 5 & 6 children only. We do expect our Year 5 & 6 children in on Thursday, therefore any absences will be treated as unauthorised. It would be a real shame for children to miss out on all of the chat about London that will happen at the end of next week.

On the last day of the school year we will be holding a summer festival. This will be within the school day. Parents will be welcomed onto the school site at 1:30pm via the main gates. Parents should go to their children's external classroom door. Children can go and explore the festival with their parents. Parents should listen out for announcements over the speaker system as each class will be given a performance slot.

At 3pm, the festival will end and all children will be required to go back to their classroom for registration and to collect their belongings. School will then finish at 3:15pm. This is important for safeguarding purposes. Please do not make requests to take your child home earlier as this request will not be granted unless proof of a medical appointment can be shown. This would put safeguarding measures under pressure and the safety of our children is paramount. During the festival, our PTA will be running stalls. Stalls are available to rent for a price of £10 per table should you know any local businesses that would like to get involved.

Attendance winners for last week -Year 3, Chestnut class with 94.21%

Joint winners for punctuality were Year 3, Chestnut class and Year 6, Rowan class, well done!

If you are struggling with your child's attendance we may be able to help. Please contact the school so that we can discuss this with you.

Thank you to those families who continue to work hard to get their child into school on time, every day.

Please ensure that your children are coming into school in the correct uniform and their PE kit on PE days. There have been an increase in children wearing their own clothes over the last couple of weeks.
